**Novel Corona virus 2019 Screening in ground border crossings
Roles & Responsibilities for respective sections in Governorates**

Scope:

The following are steps to be taken by Governorates with border ground crossings as part of surveillance for novel corona virus 2019. The DGHS should initiate appropriate actions to effect these steps in coordination with other stakeholders.

Recommended Actions

1. Posters in border crossing requesting travelers to declare travel history to affected country (China) within past 14 days. Place declaration forms in immigration counters.
2. Inform and arrange with ROP (Immigration) to direct all persons with Chinese passports and those with exit stamp from China within past 2 weeks to complete declaration form and submit to immigration.
3. Arrange for these declaration forms to be collected by ROP and make arrangements for Public Health staff to collect it on daily basis. Contact travelers and assess risk. If high risk follow up them.
4. If any who have travelled to china within past 14 days and is symptomatic he/she has to be detained for verification by Public health. Make arrangements for ROP to call DGHS hotline for evaluation.
5. If any traveler found to be symptomatic and with compatible travel history, make arrangements for screening tests in designated health institution.
