Recall of Falsified and unregistered herbal and health products from the market Shark Extract Tablets, Vimax Capsules, Kamagra Oral Jelly & Dragon's Delay Spray

During our inspection of the private pharmacies, we found the following products available in some of the pharmacies. These products contain ingredients which are different than those stated in the product/pack. Further, all these products have been brought to the country without the necessary approval from the Drug Control Department.

Sr. No	Product	Remarks
1	Shark Extract Tablets	Falsified product containing Paracetamol + Sildenafil
2	Vimax Capsules	Falsified product containing Sildenafil
3	Kamagra Oral Jelly	Unregistered product containing Sildenafil
4	Dragon's Delay Spray	Unregistered product containing Lidocaine

Since the consumption of above products can cause serious health problems, it is strictly prohibited to dispense these falsified and unregistered medicines with immediate affect. If any pharmacies are found in possession of these products, the matter will be referred to the Pharmaceutical Violation Committee for appropriate penal action. Therefore, please return the available stock, if any, to the Department of Pharmaceutical Licensing.

We thank you for your cooepration.
