Sub: Import and export of medical equipment and supplies

In order to regulate the medical equipment and supplies in the Sultanate, the Ministry of Health, represented by the Directorate General of Pharmaceutical Affairs & Drug Control, in coordination with the Directorate General of Customs, Royal Oman Police, would like to inform all concerned that a prior approval should be obtained from this Directorate for exporting and importing any medical equipment and supplies with effect from 1.1.2021. This service will be made available via the Ministry's website www.moh.gov.om. The companies which have not submitted the products listing data are advised to submit the data for inclusion without any further delay to facilitate the process of products clearance. If you need any clarification on the subject, you can write to mdev-clearance@moh.gov.om or call 22357659 / 91909402.

Thank you for your kind understanding and cooperation.
