All Medical Device Establishment

After compliments,

Sub: Official Announcement – The 3rd Conference on Medical Device Regulation (20–21 May 2026).

The Drug Safety Center, Ministry of Health, is honored to officially announce the convening of the **3rd Conference on Medical Device Regulation**, to be held from **20–21 May 2026** in Muscat, Sultanate of Oman. The venue will be disclosed in due course.

This distinguished conference represents a significant national milestone in advancing the regulatory landscape of medical devices and In Vitro Diagnostic (IVD) technologies. The event will convene more than 200 medical device establishments, alongside regulators, policymakers, healthcare leaders, and international experts, to engage in strategic dialogue and knowledge exchange.

Over two comprehensive days, the conference will:

- Highlight upcoming regulatory developments and registration requirements.
- Strengthen compliance awareness in alignment with national and international standards.
- Promote regulatory readiness and sector preparedness.
- Encourage constructive collaboration between regulators and industry stakeholders.

The 3rd Conference on Medical Device Regulation aims to reinforce Oman's commitment to regulatory excellence, patient safety, and innovation within the healthcare sector. It provides a vital platform for informed discussion, forward-looking perspectives, and unified efforts toward sustainable sector growth.

Further details regarding the venue, scientific agenda, speakers, and registration process will be announced soon.

We look forward to the active participation of all stakeholders in this important national event.
